

MSc LUXURY MANAGEMENT & INNOVATION

This unique postgraduate program enables students to become confident managers in the global luxury industry. The holistic approach is undertaken in order to apply best practices of luxury management and innovation underpinned by an active learning pedagogy.

Students are empowered to develop skills with the objective to design and implement effective competitive strategies in the luxury marketplace. They gain real-world experience and knowledge from academic professors and industry experts through group projects, case studies, consultancy missions, and business competitions.
