Health Insurance

All students are required to have health insurance covering medical expenses for one semester or the full year:

- **European students:** will have to bring their European Health Insurance card and will then be exempted from registering to the French Student Health Insurance. **Please note the EHIC does not cover repatriation and hospitalization costs.**
- **Non-European students:** **MUST** subscribe to the **free [French Health insurance system](#)** upon arrival; in addition, they can sign-up for top-up health insurance ("*mutuelle*") for a better reimbursement of their medical expenses.

Highly recommended: private health insurance to cover you on arrival, for the first 3 months, especially for repatriation and hospitalization during your whole stay.

Other Compulsory Insurances

It is compulsory for all students living in France to subscribe to:

- Civil liability insurance "*Assurance Responsabilité civile*" (it may be included in the traveling insurance)
- French housing insurance "*Assurance multirisques habitation*" covering at least water & fire damage. This insurance is required within the first week of the accommodation contract.

You can take out insurance cover (which usually includes both liability insurance and insurance policy) with the company of your choice or a bank when opening a bank account in France.

Housing Benefit

Students can apply for housing benefits from the French government ("*CAF, Caisse d'Allocations Familiales*") under certain conditions and according to the type of visa they have. Please note that students might need to open a French bank account before applying to CAF. Students will also need to provide a copy of their birth certificate translated into French. (Please note that some languages are not available in France for official translation).

Cost of living

Average cost (€/month)*	Dijon	Lyon
Accommodation	€450-€700	€700-€900
Food	€200-€300	€200-€300
Other expenses	€200	€200
TOTAL	€850-€1300	€1100-€1400

*Expenses are calculated for one person. Personal expenses may vary according to each student's lifestyle

Additional costs

Visa validation: Compulsory – Long-stay visa holders must validate their visa online within the first three months of their arrival in France, through the ANEF website ([Administration Numérique pour les Étrangers en France](#)). A tax fee of around €50 (fiscal stamp) is required to complete the validation process.

Welcome days and Arrival

COMPULSORY Welcome days take place before the beginning of classes to help students to settle in France (administrative workshops, visa validation support, accommodation matters...).

During these sessions, exchange students will meet with our BSB international student clubs. Students are invited to get in touch with them for a better experience.

A free pick-up service at Dijon and Lyon train stations may be offered on specific dates, subject to student availability. This service is optional and depends on the participation of our student clubs.
