It is the candidate's responsibility to check their email regularly, including their spam folder, to ensure that they receive all information sent by the Admissions Department regarding the organisation of the application.

We remind candidates that their qualifications are verified by BSB between the 1st of September and the 30th of November of the year of the application. Candidates admitted to BSB with a qualification or diploma that is not recognised by the admissions will lose their place at BSB.

Article III – Entrance examination sessions

Section III.1 - Organisation

Sessions are organised continuously throughout the period.

Each application is reviewed by the Director of the Grande Ecole Programme at ESC Dijon-Bourgogne (BSB).

Candidates then undergo an oral interview to assess their motivation, which may be conducted in French or English.

The application juries are sovereign. Consequently, the grades obtained by candidates cannot be disputed. Only complaints relating to possible logistical errors are admissible.

In order to take the entrance exam, candidates must submit a complete application.

Any candidate caught cheating will receive a zero grade for all tests and will be excluded from the application.

Section III.2 – Oral examination

Candidates are invited to attend an oral interview, focusing on their motivation and career plans. The test takes place online on a dedicated platform.

The interview will be assessed by a panel of two members of BSB.

Candidates must dress appropriately, ensuring that their entire face is visible. Candidates who appear in clothing that does not allow their identity to be verified will not be assessed and will be considered to have withdrawn.

Candidates will receive the link to the test in an email sent to the address provided in their application file.

If candidates do not take part in the test, they will be considered to have withdrawn.

Article V – Deferral of enrolment

The deferral of enrolment granted for a period of one year is non-renewable.

The request for deferral of enrolment must be made by email to the Admissions Officer before the 15th of September of the year of the entrance examination, following the same procedure as for the request for reimbursement. The Programme Director is responsible for accepting or rejecting the request.

The tuition fees payable by the candidate will be those for the year of enrolment.

A request for deferral does not alter BSB's admission procedure. The candidate is not exempt from presenting their qualification or diploma before the 30th of November of the year of the entrance exam. BSB will retain the deposit, which will therefore not be refunded. If the candidate does not enrol in year N+1, they will lose their admission and deposit.
